

# American Education Week

**November 16-20, 2015**

## **Making Hope Happen**

This week presents all community members with the opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child is college and career ready.

The mission of the Howard - Suamico School District is "We will work together with families and community to ensure that our students have the knowledge and skills to succeed in a changing world." On behalf of the 6,000 students and families that we serve, thank you in advance for your ongoing support and investment in our most important asset – our children.
