## HOWARD PARENT SCHOOL ASSOCIATION (HPSA)

This Friday, December 16th, HPSA will be popping popcorn for students to enjoy at school. Teachers will collect money Thursday and Friday mornings.

To purchase popcorn for your student **please send exactly 50 cents to buy their popcorn. No change will be given.** Once again, stories were shared that parents sent in extra money to cover children who didn't bring money in, and we are very grateful for that. We witnessed a lot of children happily snacking on popcorn throughout the day that wouldn't have received any, if it were not for the generous hearts that sent in extra change. Thank you parents! Any additional money, that cannot be used for other students, will be donated to HPSA to help fund busing for our students field trips.

### Seroogy's Chocolate sale

331 were sold at the concert (496.50)

HPSA owes Seroogy's \$432.00 and HPSA's profits after all bars are sold will be **\$432.00!**

(plus the \$15.60 in tips, **\$447.60**)

Our little bus tree raised an additional \$44.10, and some awareness of HPSA's purpose to our families.

### ***New Year-Round Update Process for Parents to Update Family Information Online***

1. Parent/Guardian will log into the PowerSchool Parent Portal.
2. Once in the portal, choose the appropriate student (changes will need to be done for each child listed in the account).
3. Select InfoSnap Year Round Update on the left side under navigation. (This will take a couple seconds to populate the information that is currently in PowerSchool.)
4. Once the student information is populated, the parent/guardian is free to change the appropriate information such as primary mailing name, contact #, address, mother/father/guardian information, and emergency contact information.

#### **Speak Up 2016**

The Speak Up Research Project polls K-12 students, parents and educators about the role of technology for learning in and out of school and represents the largest collection of authentic, unfiltered stakeholder voice on digital learning. Since 2003, more than 4.5 million participants have shared their views and ideas through Speak Up. Education, business and policy leaders report that they use the data regularly to inform federal, state and local education programs. The Speak Up 2016 online surveys open October 12, 2016 through

December 16, 2016. Please read more at **Howard Elementary - Password flyer.**
