HOWARD PARENT SCHOOL ASSOCIATION (HPSA)

This Friday, November 18th, HPSA will be popping popcorn for students to enjoy at school. Limit 1 bag per student. Teachers will collect money Thursday and Friday mornings. To purchase popcorn for your

student **please send exactly 50 cents to buy their popcorn. No change will be given.** Teachers in several grade levels shared that parents sent in extra money to cover children who didn't bring money in, and we are very grateful for that. We witnessed a lot of children happily snacking on popcorn throughout the day that wouldn't have received any if it were not for the generous hearts that sent in extra change.

Thank you parents! Any additional money, that cannot be used for other students, will be donated to HPSA to help fund busing for our students field trips.

Consider joining us for our December monthly meeting, Tuesday, December 6th.

Email HowardHPSA@gmail.com with any questions you may have.

Cassandra Hill - HPSA President

Kari Trzinski - HPSA Vice President/Treasurer

Tony Liethen - HPSA Secretary (Position open for job share!)

American Education Week

American Education Week—November 14-18, 2016. This week presents all Americans with a wonderful opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a quality education.

As we celebrate education in Howard-Suamico, your actions and attitudes are proof positive that education is a powerful force. A student's world is changed through learning. It is not limited, however, to a few subjects or simply "knowing" material. It transcends a grade on a paper, an answer on a quiz or a letter on a report card. When knowledge influences a student to think deeply about whom they are - and their personal responsibility as part of a larger community - we all benefit. When education does this, it becomes a catalyst for positive transformation.

The world is changed through people who understand life and contribute their knowledge to making it a better place. On behalf of the 6,100 students, and their families, the Howard-Suamico School District thanks you. Join us in celebrating the people who are committed to providing a great educational experience for every child!

DATE!!

Howard's Fall Fest is Wednesday, November 23rd from 9:00-11:30

Classrooms will be celebrating by participating in the annual "Turkey Trot", which is a mile course on the nature trail and school grounds. We

will then share in a community "trail mix" snack. We would greatly appreciated donations of one ingredient for snack mix (only pretzels, animal crackers, Goldfish/Whale crackers or plain M&M's please) to add to our community feast. Or a \$1 or \$2 donation to help Student Council purchase the balance of our items needed to complete the trail mix. Thank you for your generosity as we celebrate and teach our students about this season of fall and sharing in a healthy and fun activity.

Does your child take lessons on an instrument (like piano or violin)? They have an

opportunity to perform before our

Holiday Concerts on December 8th. If you are interested, please return the form to Mrs. Lueck as soon as possible.

MARK YOUR CALENDARS!!

This year's holiday concert will take place Thursday, December 8th at the following times:

9:30 AM (Families with last name A-L)

1:45 PM (Families with last name M-Z)

(NOTE CORRECTION ON TIME...1:45 not 1:30!!!!)

The suggested concert attendance above is, as always, to help us accommodate as many families as possible for the students. That being said, please feel free to attend whichever concert is most convenient to you. We just ask that you choose ONE concert time to attend.

"Sing"cerely,

Carisa Lueck
