always needed.....

The Brown County Health Department staff will be coming to **Howard Elementary** to provide Hearing

Screening for the designated grades and other requested students.

The Hearing Screening will occur on **Tuesday, December 1, 2015**. All 5K and 1st graders, any new students to the district, and any students requested by teachers or parents/guardians will be tested. If your child does not pass the initial hearing screening, a rescreen will be performed in four to six weeks to determine if there is a persistent hearing problem. If they still do not pass, a letter will be sent home indicating the importance of following up with a physician and/or audiologist. The screening is not a substitute for a regular examination by your physician but is meant to identify persistent hearing loss in children and bring it to the attention of parents/guardians and teachers.

Howard's Fall Fest is Wednesday, November 25th from 9:00-11:00

Classrooms will be celebrating by participating in the annual "Turkey Trot", which is a mile course and then will share in a community "trail mix" feast. We would greatly appreciate donations of one jug of apple juice OR one ingredient for snack mix (only pretzels, animal crackers, Goldfish/Whale crackers or plain M&M's please) to add to our community feast. Thank you for your generosity as we celebrate and teach our students about this season of fall and sharing in a healthy and fun activity.
