

Dear Parent/Guardian,

It's that time of year again! Our holiday concert is fast approaching. The Holiday Concert performances will be on Thursday, December 8th. Your son/daughter has expressed interest in playing their instrument for the pre-program portion of our concert.

Pre - program players must currently be taking music lessons and therefore should discuss with their instructor what holiday song they should begin preparing for our school concert. It is very important that practice of their music **begin now**.

If your son/daughter is interested in performing please fill out the bottom portion of this letter and return it to **MRS. LUECK *no later than Monday, November 21st***.

Your child also should be prepared to play their piece for his/her music teacher by Monday, November 28th. Please have your son/daughter bring their music/book to school and ask them to perform during his/her music class. Some children may have already done this as noted below. Thank you for your help and I look forward to hearing your child play!

My son/daughter _____ has my permission to perform for the pre-program portion of Howard's Holiday concert on Thursday, December 8th. I understand that they are to select a piece as soon as possible and beginning practicing. I also understand that they are to bring their music sometime before Monday, November 28th so that Mrs. Lueck may check their progress. Also, please check morning or afternoon for your child's pre-concert performance. You are welcome to attend either performance.
