**September**

During the month of September, staff at Howard will be reinforcing the skill of Whole Body Listening. Whole Body Listening happens everywhere, even at home! This topic will be taught through a variety of activities, such as reading a book called *Whole Body Listening Larry at School*. There are 8 body parts that help everyone be active listeners: eyes, ears, mouth, hands, feet, body, brain, and heart. Watch this clip to learn more about Whole Body Listening:

**HPSA is losing members** due to the transition to Lineville or personal scheduling conflicts. We need **YOU** to volunteer to help so the group can continue providing free and fun family events. Every parent and guardian of a Howard Elementary School student is automatically a member of HPSA. There are no special requirements, and you don't have

to attend every monthly meeting to volunteer. Whether you have a few hours a week or just want to help with an event or two, the

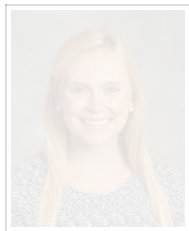

group needs your time and talents to keep our school community strong. Please e-mail [HowardHPSA@gmail.com](mailto:HowardHPSA@gmail.com) for more information on how you can help.

My name is Miss Nicole Dorvinen and I am a Green Bay native and a Bay Port alumni. After high school, I attended UW-Eau Claire and Michigan State University where I earned a bachelors and masters in Kinesiology. I returned home to Green Bay and earned a bachelors in education from UW-Green Bay. I am also the assistant swim coach for Bay Port's girls swim team. If I'm not in my first grade classroom or at the pool you can find me reading, exercising or on the lake during the summer.

My name is Miss Brittani Seidel and I am the new second grade teacher this year! I am originally from Marshfield, WI, where I grew up with my parents, sister, and dogs! I attended college at St. Norbert College in De Pere, WI and recently graduated this past May. In my free time, I love to play tennis, read a good book, and drink lots of coffee. I also love to spend time with my friends and family. I can't wait to see what my first year of teaching brings for me. Go Huskies!
