An Important Message from the Food Service Department

Introducing NutriSlice: New Interactive Breakfast & Lunch Menus!

NutriSlice is an innovative method for parents and students to view information about what is on our school menu for breakfast and lunch each day. You can see an image and description for food items, as well as nutrition and allergen information. For those students with allergies, you are able to select the food you are allergic to and it will cross out any items on the menu that contain that allergen. Menu changes are updated in real time, so when there's a snow day you won't have any questions about what is being served the following school day. Please be sure to check the menus frequently for the most accurate and up to date information.

There's also the option to rate individual food items, so please help us continue to improve by providing feedback. Our innovative, interactive site and FREE mobile app make our school menus more convenient and informative than ever before. Visit your school's homepage, the Food Service page, or click here <http://hssdwi.nutrislice.com/> to check out the menu and all of the great features!

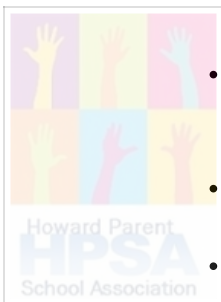

Fall into Reading Night

When: Thursday, October 5th 6 - 7 pm

(HPSA Dinner from 5-5:45 pm)

Where: Howard Elementary School

Fall into Reading Night is an opportunity for families to come and learn about reading at Howard Elementary. The night will start out with a dinner, sponsored by the Howard Parent School Association (HPSA), from 5-5:45 pm in the cafeteria. Following dinner, families will gather in the gym for a short video and a skit by some of the Howard teachers. Lastly, grade levels will have reading activities to participate in at designated areas of our school. We hope that you can join us in learning about reading. Each Howard Elementary student that attends will leave with a free book!

NEWS FROM HPSA

- Dinner & A Show is Thursday, October 5th. Again this year the Howard Family Potluck is joining forces with the annual Fall into Reading night. See the Dinner & A Show flier in your family folder for details! RSVP's are due September 28th.
- Volunteers are needed for the Dinner & A Show. If you are able to help set up prior to the start of or clean up after the potluck please email howardhpsa@gmail.com. We need your help!
- Our next meeting for the HPSA is Tuesday, October 3rd at 6:30 pm in the Howard Library. Childcare is provided and there are refreshments! We look forward to seeing you there!

From Your Board – Important Survey Request

Dear Howard-Suamico Families,

We have been given the opportunity to better align the needs of the Howard-Suamico School District with community values as we work to address the District's financial challenges. To that end, the HSSD Board of Education is asking adult community members to participate in a survey to assist in future referendum planning efforts. Information gained from this survey will be used to evaluate options that meet the community's needs, are financially responsible, and move the school district forward.

Visit www.HSSDsurvey.org

This survey will take an estimated 15 minutes to complete and can be accessed until October 1, 2017. A reminder postcard will also be mailed to all Howard and Suamico residents next week. We respect your time and value your participation. Your answers will be anonymous. You can also request a paper copy and a prepaid return envelope at any school office or by calling 920-662-7878.

Sincerely,

Howard-Suamico School District Board of Education

Mark Ashley, President

Teresa Ford, Vice President

Laura Barnard, Clerk

Lisa Botsford, Treasurer/Deputy Clerk
