out a form, they are located in the office.

MAP TESTING!!

It is already time to start MAP testing. Our third and fourth grade students will be taking the MAP assessment on their ipads during the afternoons of December 14-15. Second grade will take the MAP assessment using the laptops starting the week of January 11th. Please make every effort to schedule appointments around these days. If the student is not present, he/she will have to take the test at another time.

HPSA CORNER

ATTENTION GIFT GIVERS: Are you looking for something special to add to your little one's stocking? Do you need a small gift of appreciation for the "hard-to-shop-for" person? HPSA will be selling Seroogy's Chocolates again this year before both Winter Concerts. There will be chocolate Santas or Snowmen available for \$3.25 each. Quantities are limited! See the attachment for further details

Parking for the Winter Program is available in the north parking lot, or on the black top drive in front of school. Parking is also available on the streets in the neighborhood around school. Please be watchful to keep the neighborhood mailboxes accessible according to village ordinances.

We thank you and our neighbors thank you for your consideration.

RIF and the Teaching Channel are sponsoring a Billion E-book give away. Their goal is for every family to have a library of E-books of their own. By simply signing up for a free account, 50 books will be delivered to your device. The site says that it should download on many different kinds of devices. It was recently tried on a Mac book and the books were received. They were mostly remixed fairy tales for elementary students. Some were also in Spanish. The following link should get you to the site.
