In January during Life Skills, Howard students will be learning about the Unthinkables and Thinkables and how they experience the Zones of Regulation. A skill to help students respect other people is by promoting turn taking during family game night. A tool to help students when they are angry is to take deep breaths or find a safe spot to calm down. Recess Queen by Alexis O'Neill is a great book that pairs well with these two characters!

50 cents, limit one per student!
This Friday, January 13th, HPSA
will be popping popcorn for students to enjoy at school.
Teachers will collect
money Friday morning. To purchase popcorn for your student **please send exactly 50 cents to**

buy their popcorn. No change will be given. Once again, stories were shared that parents sent in extra money to cover children who didn't bring money in, and we are very grateful for that. We witnessed a lot of children happily snacking on popcorn throughout the day that wouldn't have received any, if it were not for the generous hearts that sent in extra change. Thank you parents! Any additional money, that cannot be used for other students, will be donated to HPSA to help fund busing for our students field trips.

Save the Date! Our Spring Dance and Raffle will take place on Thursday, April 6th, 2017.

Email HowardHPSA@gmail.com with any questions you may have.

NOTE FROM THE SCHOOL NURSE:

The Brown County Health Department is holding an immunization clinic for all children, to coincide with the State's immunization checkpoint requirements for schools. This will give families with children behind on immunizations another opportunity to receive needed vaccines in time to meet the State Deadlines and at no charge.

Please note: This clinic is available to **ALL** children ages 2 months through 18 years, **regardless** of insurance coverage. **See flier for further details!**

Save the Date!

This is a friendly reminder, despite our best effort and our contractors best efforts, **our lots may be icy**. PLEASE use extreme caution when you arrive – slow down, give yourself extra stopping distance. Once parked, use caution getting out of your vehicle and take small steps in route to the school entrance.

A few recommendations:

- Although your hands might be cold, don't put them in your pockets when you are navigating wintry stretches. If you slip, you will need your arms to restore balance. If you fall, your arms will help you to break your fall and land safely.
- Wear the proper footwear. Although it may not be glamorous to wear a pair of boots, it will give you traction, not to mention keep your feet warm
- If you think you are approaching a particularly slick area of snow or ice, don't be afraid to explore the area with your toe to see how slippery it is before you put your full weight on the area.
- Don't carry large loads while walking on snow or ice; if you do need to carry an item on an icy walk and you feel yourself falling, toss your item so that you can break your fall with your arms.
- Take small careful steps instead of large ones. When getting out of a vehicle, step please do so slowly. When possible, use handrails, handles - anything that will help you keep your balance. Never run.

On our way with 4K. Creative Curriculum makes learning fun. Learn more about The Howard & Suamico 4K program which prepares four-year-olds for school success at <http://www.hssd.k12.wi.us/4k-program>. 4K Registration is available online starting

New Year-Round Update Process for Parents to Update Family Information Online

1. Parent/Guardian will log into the PowerSchool Parent Portal.
2. Once in the portal, choose the appropriate student (changes will need to be done for each child

listed in the account).

3. Select InfoSnap Year Round Update on the left side under navigation. (This will take a couple seconds to populate the information that is currently in PowerSchool.)
4. Once the student information is populated, the parent/guardian is free to change the appropriate information such as primary mailing name, contact #, address, mother/father/guardian information, and emergency contact information.
