About this Event

Join the Howard-Suamico School District on Thursday May 2, 2019 at Bay View Middle School from 5:30-7:30 p.m. for an inspiring and educational FREE evening on supporting youth and teen mental wellness. Jeff Yalden, a highly regarded mental health motivational speaker, will provide two hours of fun, laughter, and thought on the topics of teen mental health, sexting, drugs and alcohol, social media, self-esteem, and suicide prevention. Parents, role models, and youth advocates will leave this event with solutions to pressing issues faced by our youth and teens.

Jeff Yalden has addressed audiences in all 50 states, 49 countries, and every province in Canada. This TEDx Speaker, Podcast Host, Four-Time Amazon Best Selling Author, New York Times #1 Best Selling Co-Author, Non-Profit Foundation Founder, Mental Health Advocate is passionate about stopping teen suicide and advocating for mental health.

Bay Port's Youth Service Learning Team will provide FREE childcare during the event. To ensure proper staffing and space for childcare service, please contact Kimberly Wagner, student services administrative assistant, at (920) 662-7880 or kimbwagn@hssdschools.org with the following information:

- Name of the child(s)
- Age of the child(s)
- Number of children utilizing childcare

It takes two villages and strength in numbers to support our youth and teen's mental health. We hope to see you there!
