Click here to view the Box Top total profit sheet for this year and help to add more for next year!!! Next year, *HPSA is losing multiple active members* due to the transition to Lineville or personal scheduling conflicts. We need **YOU** to volunteer to help so the group can continue providing free and fun family events. Every parent and

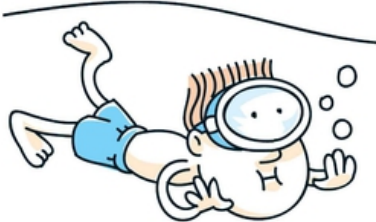

guardian of a Howard Elementary School student is automatically a member of HPSA. There are no special requirements, and you don't have to attend every monthly meeting to volunteer. Whether you have a few hours a week or just want to help with an event or two, the group needs your time and talents to keep our school community strong. Please e-mail HowardHPSA@gmail.com for more information on how you can help.

A note from the Food Service Department...

Dear Parent/Guardian:

Thank you for your participation in our School Meal Programs this year. As we near the end of the school year, please carefully review the following points regarding lunch accounts.

Active accounts will retain their balances. If a student leaves the district, the account is no longer active; **a refund of the inactive balance must be requested from Food Service within 6 months.** Inactive balances remaining after 6 months will be considered a donation to the Food Service Fund. Balances may be refunded or transferred to a sibling's account or to the Giving Tree lunch account to be used for those in need upon request. Please direct account-related communications to a Food Service Cashier (see contact information below).

Cashiers communicate account balances to students before the end of the school year. Please be sure to send a lunch from home if your student has a negative balance or insufficient account funds that would result in having to charge meal purchases; **CHARGING IS NOT ALLOWED** in our final weeks of school.

The **MySchoolBucks** (MSB) web-based payment program will be **inactive from June 8 through mid-August**. Please plan payments before or after that period. **YOU MUST DISABLE YOUR AUTO-PAY FUNCTION** if you want to minimize balances and avoid automatic payments being made toward the end of the year. Also to avoid payment conflicts upon return, be sure to **update your MSB account** as needed—e.g., if your student has changed sites or your bank card has changed/expired.

Current free or reduced price meal eligibility expires OCTOBER 14, 2016. Carryover eligibility applies to current students only. New applications must be submitted each year. Updated forms and instructions will be mailed to households in August and also linked here <http://www.hssd.k12.wi.us/#!/blank/b2he1> on our Food Service web page.

Please feel free to contact us with any questions/concerns about this or any other aspect of our School Meal Programs. Be sure to also check out our Snack Bag Program offered as a convenience to those participating in summer school. Thank you again for contributing to the success of our programs. Enjoy your summer!
