

THANK YOU!!!

Last Friday was our 16th annual successful MS WALK. With the help of the Penny Drop we were able to raise \$1151.88! The rain didn't stop us, we walked the halls, gym and even the library! It was so inspiring to see all those smiling faces knowing they were walking to help those who have struggles with MS. Congratulations to Miss Lamer's Second grade class for taking **FIRST** place in the Penny Drop!
