Howard's Fall Fest

Wednesday, November 22nd from 9:00-11:30

Classrooms will be celebrating by participating in the annual "Turkey Trot", which is a mile course on the nature trail and school grounds. We will then share in a community "trail mix" snack.

We would greatly appreciate donations of one ingredient for snack mix (only pretzels, animal crackers, Goldfish/Whale crackers or plain M&M's please) to add to our community "trail mix".

Thank you for your generosity as we celebrate and teach our students about this season of fall and sharing in a healthy and fun activity.

FROM YOUR SCHOOL BOARD

Teamwork (noun) – the combined action of a group of people, especially when effective and efficient.

At the Howard Suamico School District, teamwork is demonstrated in many different ways. Our students participate in teamwork with athletics, music, theatre, and especially academics. Our students work together as a group, to learn, grow, and share. Teamwork is showing at Bay Harbor Elementary, where the students are preparing for the annual Fall Fest Fundraiser; Suamico Elementary is displaying teamwork at their Buddy Bench during recess; and Howard Elementary is showing their teamwork with Popcorn Fridays. Our Board of Education and administrators use teamwork to drive our mission forward. Currently, we are engaged with a Community Task Force, teaming community members with district administrators to better understand our district needs and opportunities. The goal of the Community Task Force is to make a recommendation for the Board of Education to consider. As we see every day in the Howard Suamico School District, with teamwork we can accomplish anything. If you have any questions for the Board of Education, please reach out to your team member, Teresa Ford.
