HOWARD HUSKY NOVEMBER EVENT CALENDAR

**Howard's Fall Fest is
Wednesday, November
23rd from 9:00-11:30**

Classrooms will be celebrating by participating in the annual "Turkey Trot", which is a mile course on the

nature trail and school grounds. We will then share in a community "trail mix" snack. We would greatly appreciated donations of one ingredient for snack mix (only pretzels, animal crackers, Goldfish/Whale crackers or plain M&M's please) to add to our community feast. Or a \$1 or \$2 donation to help Student Council purchase the balance of our items needed to complete the trail mix. Thank you for your generosity as we celebrate and teach our students about this season of fall and sharing in a healthy and fun activity.

American Education Week

American Education Week—November 14-18, 2016. This week presents all Americans with a wonderful opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a quality education.

As we celebrate education in Howard-Suamico, your actions and attitudes are proof positive that education is a powerful force. A student's world is changed through learning. It is not limited, however, to a few subjects or simply "knowing" material. It transcends a grade on a paper, an answer on a quiz or a letter

on a report card. When knowledge influences a student to think deeply about whom they are - and their personal responsibility as part of a larger community - we all benefit. When education does this, it becomes a catalyst for positive transformation.

The world is changed through people who understand life and contribute their knowledge to making it a better place. On behalf of the 6,100 students, and their families, the Howard-Suamico School District thanks you. Join us in celebrating the people who are committed to providing a great educational experience for every child!
